### STEPS

Recovery begins with the Twelve Steps, culminating with Step Twelve, which urges us to carry this message to compulsive debtors. These principles of recovery, particularly Step Twelve, provide the foundation for Service, since it is impossible to give away what we do not have.

### TRADITIONS

The Twelve Traditions begin with the idea of DA Unity, and it is this principle which is one of the surest guides to a proper attitude in Service. The Traditions help us to put into practice the principles we have learned from the Steps and enable us to live in harmony with our fellows.

### DA TOOLS

Recovery from compulsive debting begins when we stop incurring new, unsecured debt, one day at a time. We attain a daily reprieve from compulsive debting by practicing the Twelve Steps and by using the DA Tools.

### BDA TOOLS

The Tools of Business Debtors Anonymous (BDA), together with the Twelve Steps and the Twelve Traditions, allow us to operate our business without incurring new unsecured debt and to do business in the spirit of Service.

### PROMISES

In the program of DA and BDA, we come together to share our journey in recovering from compulsive debting. There is hope. When we work the Twelve Steps and use DA and BDA Tools, we develop new ways of living and begin to receive these gifts of the program.
