

My Personal Vision in Words

Dear God: Here is my personal vision, this or something better, if it is your will for me:

INCOME

I do the step work required to release me from the obstacles I place in front of my higher power and as a result my personal vision is that my income comes freely, abundantly and from multiple channels: my business, our share investment portfolio and our property portfolio. I operate each in an incredibly lean manner leveraging my god given intelligence, to research data, gain insights, utilise the most cutting-edge technology and implement simple processes to drive clarified profitability.

SPIRITUAL

I am fully aligned with the 12 steps being my way of life. I put God first in all and every of my financial decisions. He is my financial life-partner.

CLOTHES/GROOMING/BEAUTY

I dress in an impeccable way that suits my body shape and size. I prioritise my grooming and relaxation processes and maintain myself in the manner and style that expresses my taste.

FOOD

I eat only what contributes to my spiritual & emotional well-being and avoid other foods with the support of my higher power.

HEALTH/FITNESS

I work with my coach to create a clear plan to achieve my physical goals at any one time, but I also listen to what my body needs and act only on what serves me daily. I see exercise as an extension of my beauty regime, and I love to take care of my muscles and heart.

OFFICE

My office is a centre of serenity and clarity. It is highly customised to my needs - high tech, ergonomic, the centre of my service to God.

PERSONAL ENTERTAINMENT

I love to attend events in the fine arts with my husband. We also enjoy cinema, gastronomy, oenophilia and quality time in beautiful locations with friends.

PERSONAL TRAVEL

I travel where my interests attract me in a luxurious fashion for relaxation, education and family connection.

VEHICLE

I drive a pink lamborghini with my business's eye catching decal on the side.

If this is your will for me, God, please show me the right actions to take on the path toward it. If it is not your will, please redirect my thinking and actions to be the person you would have me be. Thank you, God.
