

Dear God,

Here is my Vision for DA & BDA this or something better, if it is your will for me:

I am a coach, Executive Director, with my company. We are a whole lifestyle program offering weight loss, education, nutrition & coaching and wealth building. I love what we do **offering Health, Wealth, Freedom-friendship and personal growth.**

My Vision is to become a real leader in this business, ultimately a Global Director, growing a strong team of men and women, helping to change thousands of lives.

As my team grows, so do I! I continue to Recover in DA & BDA, attending leadership conferences and working with mentors in my business.

My vision for income is to make \$5500+ a month in the next 6 months. My income will continue to grow, exponentially, as I offer this program and business to clients & coaches. As a Global Director I am earning over \$20,000+ per month. This growth in income allows me to set up a retirement for myself, pay for a cremation package for me, purchase or lease a new horse and purchase a new larger home. I also am open to other opportunities and streams of income. In return for this income I am willing & excited to help many Animal Rescues and other organizations close to my heart.

Overall, I continue to grow in the knowledge that this is God's business and I am willing to do the footwork and let God handle the results.

If this is your will for me God, please show me the right actions to take on the path toward it. If it is not your will, please redirect my thinking and actions to be the person you would have me be. Thank you, God!
